

Reduce or Eliminate paying tax on your Social Security!

Options are now available to help senior citizens cut their income tax bill.

While Federal Law permits the government to increase taxes on Social Security, provisions have been enacted to protect seniors from having to pay more. You may even qualify to pay less or no tax at all.

To receive FREE easy to understand information and solutions to help you keep more of what you earn, just place an X in front of the items of interest and return this postage-paid card today. There is no cost or obligation for this valuable information.
