

2010 Tax Laws Affect Social Security.

11 Million will pay higher Social Security taxes in '10.* Here's How to PAY LESS!

Federal Social Security taxes will increase this year. However, there are provisions to help seniors from having to pay more. Qualified seniors may potentially even pay less or no tax at all on their Social Security. The government, however, doesn't publicize how you can do this. You must obtain the information for yourself.

For FREE, easy to understand information to guide you, return this postage-paid card today! This information you will receive can potentially save you hundreds, even thousands of dollars, and it's yours without cost or obligation.
